\*Parent night is a very important evening for our parents, teachers, and administration to focus on the year ahead. We request that children stay with a relative, friend, or sitter so we may focus on our limited time together during this important informational meeting. This is the parent opportunity to meet their child's teachers and become familiar with the school.

+Tea with Teacher is a special time set aside for your child to meet their teachers and classmates before the school year begins. This is their opportunity to become comfortable in their new class environment before the first day of school.

\*We follow the Cobb County school system schedule for inclement weather closings. We also follow the Cobb County system schedule closely concerning holiday closings, teacher workday closings, and early release days. If Cobb County school system is closed, our school will be closed as well. We do make certain changes within our own schedule to accommodate the needs of a private, Christian preschool.
