It's a guided tour of who God created you to be, how God created you to lead, what it means to be a servant leader, and what it means to live in Christian community. During ELI Leader Week, participants focus on discovering their natural strengths, then learning servant leadership theory, small group dynamics, and how to cast a vision. Then, during their Servant Leader Practicum, participants put to practice what they've learned as volunteer counselors at Grow Day Camp sites at churches across the North GA Conference (schedule below) while continuing to receive guidance from ELI coaches.

A NOTE ABOUT COVID-19

As always, the safety and well-being of our campers and staff is our top priority. In planning for Summer 2021, we have adapted our program schedule, staffing ratios, policies, and procedures based on existing conditions and understandings of the Covid-19 pandemic. Please know we will continue to monitor developments related to the pandemic and that our plans, policies, and procedures will be subject to change accordingly. NEW TIERED PRICING FOR GLISSON 2021

For decades, church financial support of our summer programs has allowed us to offer camp at lower costs for families. In response to reduced support in 2021 and in anticipation of potential reductions in the future – and rather than increasing camp fees for everyone – we have developed pricing tiers for Summer 2021 that offer families the choice of paying: 1) our normal, subsidized cost; 2) the actual cost of the summer experience; 3) the cost of camp plus the expense of ongoing facility maintenance and replacement. The normal, subsidized Tier 1 fee is displayed on this schedule. Tiers 2 and 3 will be offered as options during registration.
